1	1385
2	1700
3	2241
4	2429

Payment standards are the maximum HUD will subsidize for both rent and utilities on the respective bedroom size units. Rent is defined as the “Base Rent” charged for the unit.

HUD allows each housing agency to reduce the payment standards to 90% of the established FMR or to exceed the FMR by up to 110%.
