Dear Resident/Participants:

HACDB is aware that the Governor has imposed restrictions on bars, nightclubs and some limitations on restaurants. This may affect your household income.

If our records reflect that income for your household comes from these sources we will be processing a rent adjustment effective April 1, 2020. **You will not need to call us, you will not need to come to the office, your adjustment will be processed and your landlord will be notified by mail.** You should report promptly when you return to work.

If your hours are reduced or work ended at other types of businesses, please email us at info@dbhafl.org, or call 253-5653 x 308. Please do not come to the offices. We appreciate your cooperation.

Your safety and the safety of our community is very important to us. HACDB will continue to monitor the situation and support you as much as we can.

Remember, the Centers for Disease Control recommends "Social Distancing", this means keeping space of approximately 6' away from others whenever possible. This reportedly may help with controlling the spread of the virus.

Sincerely,

Terril Bates
CEO
