INTRODUCTION & SUBMISSION REQUIREMENTS

REAL ESTATE BROKERAGE SERVICES

1. INTRODUCTION

The Daytona Beach Housing Authority (DBHA) seeks proposals from qualified and licensed real estate brokerage firms to market and sell or lease surplus DBHA real estate and provide services related to the acquisition of real property or interests in real property. Real estate offered for sale or lease or sought for purchase may be multi-family or commercial in nature, vacant land or less- than-fee-simple interests in land. Sites may range from sub-buildable-size parcels up to large multifamily developments on larger acreages. All sites will be located in the state of Florida.

2. DESCRIPTION OF REQUIRED SERVICES

The selected firm and agent may be asked to perform one or more of the following services:

- (a) Compile all information necessary to successfully market each property identified for sale or lease. For some properties, DBHA may have appraisals, surveys, Phase I Environmental Assessments, and other helpful information; all such information will be made available to the firm for use in marketing the properties.
- (b) Develop a recommended marketing strategy and price for each property; meet with DBHA Staff to present the strategy and incorporate any input from DBHA.
- (c) Market the sites through multiple DBHA channels to locate willing and able transaction partners.
- (d) Negotiate with potential transaction partners on behalf of DBHA.
- (e) Provide periodic written marketing/progress reports to DBHA, detailing marketing activities undertaken, contacts made, expressions of interest, showings, etc.
- (f) Handle transaction details related to sales/leases and closings. Please note that most significant sales contracts will need to be made subject to the approval of DBHA's Board and HUD, and that the HUD approval process can take several months following the execution of the contract and submission of the approval request.
- (g) When requested, utilize market information available to the firm to locate properties meeting DBHA criteria for potential acquisition or lease.

DBHA anticipates that the following properties will be immediately listed with the selected agent for sale and/or lease:

This term excludes an Indian tribe, tribal organization, or other Indian organization with respect to expenditures specifically permitted by other Federal law.

"Recipient" includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. "Regularly employed means, with respect to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract, grant, loan, or cooperative agreement. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

- (a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.
- (b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.
- (c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

- (2) Professional and technical services.
- (a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-
- (i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.
- (ii) Any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

- (e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.
- (f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.
