

CEMENT WORK

The Daytona Beach Housing Authority administrative offices are located at 211 N. Ridgewood, Daytona Beach, FL 32114. There are approximately 6000 sq ft of surface area containing cement and pavers. We are seeking quotes from qualified professionals, to address issues with the surfaces which have resulted in them becoming a slip hazard.

A walk through of the area may be requested via email at procurement@dbhafl.org. Qualified professionals holding a valid business license and insurance should send a proposal detailing how they would address the issue, included should be detailed specifications regarding materials, labor and approach to resolving this issue. All work must be warrantied.
